Satellite Z930/01F
PT23LA-01F00N

Price $999.00 RRP AUD (inc. GST)

Overview

The Satellite Z930 is the super thin and super light Ultrabook™ for those on the fly.

Atrue engineering marvel, this highly sophisticated Toshiba Ultrabook™ is as intelligent as it is beautiful. Every piece of its breakthrough thin and light design has been crafted with your complete mobility in mind, giving you the heaven-sent ability to stay in touch, productive and entertained wherever you go.

Slipping neatly into a bag or portfolio, it weighs just 1.12kg - about the weight of 1⅓ average loaves of bread - and is only 15.9mm thin, making it a very attractive travelling companion at a very attractive price.

On the fly innovative features include an ultra-slim spill-resistant backlit keyboard; its own 128GB Solid State Drive providing incredible access speeds and a coveted instant-on capability; a USB Sleep-and-Charge to free you of adaptors and 8 hours of battery life to keep you in touch for longer.

Optimised for Windows® 8, it comes packed with beautiful technologies to make your life simpler, including Toshiba's NEW Desktop Assist utility, giving you shortcut access to a customisable Start Menu and making it so easy to find your favourite apps, files, folders and programs.

This eco-friendly Ultrabook™ marvel also has a patented Peak Shift function to help you control power usage and cut down your power bills, beautifully controllable through Toshiba's eco Utility™.

Toshiba recommends Windows® 7.
